Email: richard@richardswenning.com

The Panthers IceDen is proud to offer our customers a large variety of coaching styles and expertise. You can find the exact match and fit for your skater's personality and your budget.

Coaching fees can be divided into as little as 15 minute segments, shared in a semi-private format and utilized on many different types of sessions. Ice time is not included in the coaching fees. In addition to paying the coach for a lesson, skater must also pay for ice time.

Ice time and lesson fees can be paid at the front desk or online!

You are encouraged to reach out to the Figure Director with questions. Calling or emailing the coaching directly to schedule lessons is encouraged. All coaches are Independent Contractors and operate their business differently.

Coaches \$100 & higher
