

LAKE ZURICH BASEBALL GRIZZLIES 2021 TEAMS

The Grizzlies Program was created as an extension of the Spring Baseball season for players in the U8, U9, U10, U12 and U14 age ranges and it has proven to be the key to successful early skill development. The goal of the Grizzlies Program is to help teach young players the fundamentals of fielding, hitting and overall game of baseball in an environment that is conducive to learning. The season begins in May with a small overlap of the house league and typically finishes in July.

Players chosen for the Grizzlies Program are placed in age and developmentally appropriate pools, and later assigned to a specific team. As a group, they receive training with an emphasis on technical skill development. To be considered for the Grizzlies Program you must be registered to participate in the Lake Zurich Tyro, Minor or Majors house league for 2021. The number of teams at each age level may vary depending on the number of players who tryout.

The Grizzlies will participate in the N60 or Northern Illinois All-Star League which is made up of teams from surrounding communities. Player can expect to play an additional 4-8 games within the N60 League. Depending on the age of your child, the Grizzlies will also play in 1-4 tournaments in the surrounding area (no more than 50 miles). Tournaments will take place in late June and early July, please consider this for your summer travel plans (Players are encouraged to not miss the tournaments). Lake Zurich hosts a tournament on July 7th-11th parents of Grizzlies players must volunteer to assist with this tournament. This provides a fun and competitive extension to the house league season. All home games are played on Lake Zurich Baseball fields (Staples, Lions etc..)

CURRENT GRIZZLIES TEAMS
