- 3) Attendance:
 1. Please do all you can to make sure your son is at every practice - for his benefit and the team's benefit to progress.
 2. Please inform one of your son's coaches or me as soon as you know your son is unavailable for practice.
 - o The Jr. Pacer program's coaches are some of the most dedicated coaches I have had the pleasure to work aside. They make plans for each practice to maximize their time with your son and for your son. Letting the coaching staff know of an absence is respectful of that time they have dedicated.
