

CEDAR CLIFF

**YOUTH BASEBALL
ASSOCIATION**

**2026
SPRING PROGRAM**

PRESIDENT'S MESSAGE

On behalf of the Cedar Cliff Youth Baseball Association, I am excited to welcome back our returning families and extend a warm welcome to those joining us for the first time. Spring is always a special time in our community. It marks not only the return of baseball, but also the opportunity for our young athletes to grow, compete, and create lasting memories on and off the field.

Youth baseball plays a vital role in shaping our community. It teaches lessons that go far beyond the game – teamwork, resilience, sportsmanship, and respect. The time spent on the field helps build confidence, friendships, and character that will stay with our players for years to come. Your continued support ensures that we can provide a positive, inclusive, and rewarding experience for every child who steps onto the diamond.

This program would not be possible without the dedication of so many individuals. I would like to extend my sincere thanks to our coaches, volunteers, and board members who generously give their time and energy to make this league run. Your commitment is the backbone of our organization. We are also incredibly grateful to our sponsors, whose support helps us provide essential equipment, maintain our facilities, and defer the rising costs of goods and services to keep baseball affordable for families in our community.

To our parents and families—thank you for your support, encouragement, and the countless hours you spend cheering from the stands, driving to practices, and helping your players succeed. You are an essential part of this experience.

And to our players: this season is yours. Work hard, support your teammates, and most importantly, have fun. Whether you're stepping onto the field for the first time or continuing your baseball journey, remember that success is not just measured by wins and losses, but by effort, improvement, and the way you carry yourself as a teammate and competitor.

I am extremely proud of what this program represents and the community it brings together. Here's to a fantastic 2026 season filled with great memories, growth, sportsmanship, and the greatest game on earth - BASEBALL!

VOLUNTEERING

A great deal of hard work is put into effectively running CCYBA, and this league can not exist without the help of volunteers. We encourage all families to get involved and find ways to support the league and those who devote countless hours of their time. Please join us on the 2nd Wednesday of each month for our monthly Board Meeting, or email CCYBAboard@gmail.com to see how you can get involved and help ensure the success of this league in 2024 and beyond.

The background of the image is a dense, chaotic pattern of yellow and black streamers and confetti, resembling a party or celebration. The streamers are thin, dark lines that crisscross the frame, while the confetti consists of numerous small, bright yellow and black fragments scattered throughout. The overall effect is one of high energy and festivity.

MINORS

The background of the image is a white surface covered in a dense pattern of yellow and black splatters and scratches. The splatters are irregular in shape and size, scattered across the entire area. The scratches are thin, dark lines of varying lengths and directions, some appearing as sharp, straight lines and others as more chaotic, scribbled marks. The overall effect is one of a heavily used, perhaps damaged or artistic, surface.
