

Our fall PGYSA/PG Impact Phase Two Return-to-Play plan is built on projected Phase Two RTP small-sided group training RTP guidelines. Phase Two RTP plans safeguard athlete, parent, volunteer and staff health during all small-sided Phase Two programs.

*Please note Phase Two of our RTP will be adjusted as per health authority guidelines if required.

Fall 2020 Phase Two Return-to-Play (RTP)

- Our Phase Two RTP is a small-sided training/**possible** small-sided game program (maximum 7 weeks in length).
 - * Fall season length/format will officially depend on health guidelines & the cooperation of fall weather.
- Training sessions are preliminarily designed around small group interactions (e.g., 3v3/4v4/5v5).
- If match play is permitted in Phase Two, it will consist of 5v5/7v7/9v9 (youngest-oldest participants).
- Available registration spots for Phase Two will be capped to ensure we are able to meet guidelines.
- *Small-sided match-play rules (if matches are permitted) may be adjusted to meet safety guidelines (e.g., arm distance).
- Phase Two training is open to Athletes in the Fundamentals/Learning to Train/Training to Train/Training to Compete stages (Ages 6-18).

Coaching staff:

All programming is overseen by nationally certified Club Director, Terrol Russell, and supported by certified Club staff. If you're interested in joining our Phase Two Technical Team, please contact us through impact@pgysa.bc.ca

Training Schedule & Fee Schedule:

- 2 sessions/week = \$150 + kit fee (Kit requirements will be released separately).
- 3 sessions/week = \$215 + kit fee (Kit requirements will be released separately).
- Optional Private Training available for soccer-first players = Contact Heidi Robinson to reserve your spot.
 - Phase Two programming will be scheduled between 5:00pm & 8:00pm.
 - If the Health Authority authorizes match play in Phase Two, Wednesday & Thursday sessions will become match night.
