Dear Yankton Baseball Alumni

Yankton Baseball Association Needs Your Help!

We are wanting to finish making Riverside Field at Bob Tereshinski Stadium one of the most beautiful ballparks in the State of South Dakota. As many of you know, we recently completed stage 1 by installing infield turf a few years ago. We have started stage 2, lighting project, which has allowed even more games and tournaments to be showcased in Yankton. We still have over \$50,000 left to finish the project. Stage 3 will be installing outfield and warning track turf. These projects will create a brighter future for Yankton baseball. I would like to personally invite you to be a part of these projects and future projects!

We are asking the Yankton Baseball Alumni for your consideration of financial support to help offset the cost of the turf and light projects and various other renovations that need to be done at Riverside Field as well as continue the baseball program itself. Your support of Yankton Baseball will allow us to continue to provide a bright baseball future for the youth of Yankton.

To make a donation in your name or in honor of someone special, please complete the bottom portion of this letter and return with your donation to: Yankton Baseball Association, PO Box 299, Yankton, SD 57078.
