

Hi Fellow Crew Parents!

My name is Chris Graham and my kids have been involved with Concord Crew since 2018. My oldest is now onto college and my youngest, Mathea, is one of the crew captains this season. When my kids started, I knew pretty much nothing about rowing.....or crew....or regattas. So I am quite familiar with showing up to a sport I had only heard of.

Why are you hearing from me? I am the newly elected Concord Crew Parent Liaison! The goal of the Parent Liaison is to be a contact for parents' questions. We want to keep our lovely coaches freed up for coaching the kids and all the other million things they do behind the scenes. Unless you have a specific question in regards to your kids' boat or specific practices or absences that only the coaches can answer, please contact me first.

Looking forward to seeing everyone,

Chris Graham
