The Traveling Peppers Committee wants to inform you that post season play is likely with all traveling teams. This may mean traveling to National Tournaments. Expenses involved with an "A" team could be different than with a "B" team. The "A" teams tend to travel farther to play in more competitive tournaments, which may require overnight stays. Completing this form does not guarantee that you will be selected as a coach.

I understand that in applying for a MAGFA coaching position, the information that I have furnished on this form is subject to verification, which may include a criminal history check. I understand that if selected, I may be required to complete coaching certification at the discretion of MAGFA. I declare to the best of my knowledge that the information submitted in this application to be true.
