Old League Business - None

New League Business

1. Reviewed incident involving Jade Binder's actions in Advanced League game. The board determined that the game referees issued the correct penalty and a one game suspension was the correct discipline for this incident.
2. Thunder Cup tournament will be played April 3-4-5 and will be limited to 10 teams. Flyers are being generated and \$250 deposit will secure a team's spot.
3. Shamrock Shootout will be an All-Play tournament held March 20-22. Players of all skill levels sign up individually. Players are assigned to teams based on skill level. Teams are generated with the goal of achieving competitive balance.
4. We're looking at options for league surveys for player input. Survey Monkey charges fees on a monthly basis, whereas Privacy.com charges on a per use basis.
5. Explore options for next year's league play:
 - Based on number of teams in each league, teams would play each other 3 or 4 teams throughout the season, shortening the season to 18-21 games and reducing player fees to the \$300 range.
 - Allow for maximum roster size of 18
 - Maintain team skill level average requirement
 - Set parameters for players playing outside their rated level of play.
 - Stagger the schedule so that all levels of play complete their seasons at same time.
