

Creating a SportsEngine Account and Joining LBA on SportsEngine

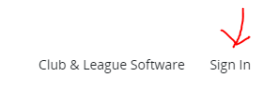

Luverne Basketball Association is now using SportsEngine!

We are excited to announce that the Luverne Basketball Association is using SportsEngine, the number one Sports Management software. By using SportsEngine, we are able to have our calendars online via PC, tablet, phone or the SportsEngine App. In addition, there are tools for parents such as the team schedule, rosters, chat and message and share photos. Finally, it allows our coaches to go to one place to manage their team.

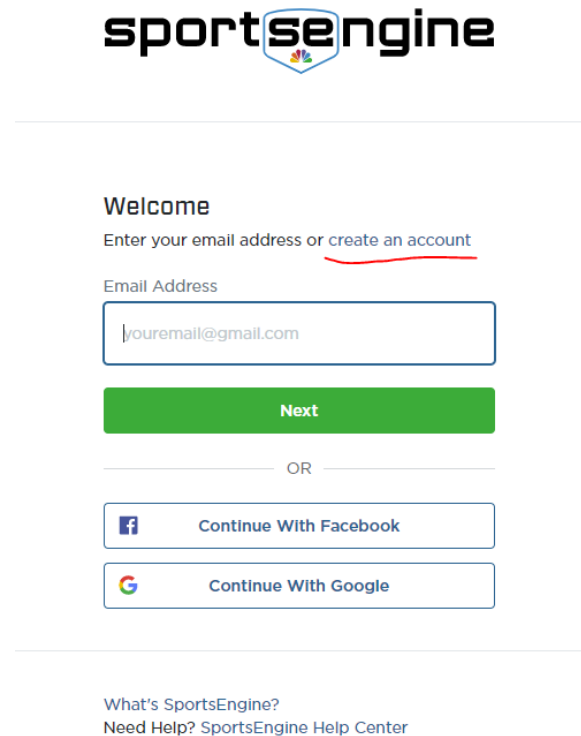

The LBA is recommending that all parents download the free SportsEngine app to their phone from your favorite app store.

In order to utilize this, you will need a SportsEngine account. It's free and easy to sign up.

To sign up, go to www.SportsEngine.com and in the upper right corner click Sign In.

The Welcome/Login page displays. Click create an account:

Click the Activate My Account button, and you will be brought to your SportsEngine dashboard:

The screenshot shows the 'Settings' page for a user named 'Dummy Player2'. On the left is a navigation menu with options: Home, Profiles, Schedule, Teams, Groups, Bills, Registrations, Settings (highlighted), and Apps. The main content area is titled 'Settings' and is divided into two sections: 'Account Information' and 'Notification Settings'. Under 'Account Information', there are three fields: 'Name' (Dummy Player2 | Change), 'Primary Email' (dummyplayer2@gmail.com with an info icon), and 'Secondary Email' (none). Under 'Notification Settings', there is a 'Mobile Phone' field (507-283-8040 with an info icon) and links for 'Change Mobile Phone' and 'Remove'.

From here you can add a mobile phone number, which we highly recommend as the coaches will most like be using SportsEngine for communication purposes and their messages can be sent to both Phone and Email as long as these are entered here.

After you have created an Account, LBA will invite you to our website on the Luverne Events Community Calendar. You will receive an email in your inbox similar to:
