

Covid-19 Protocols

- 1. All participants must sign off on Covid-19 related good health.**
- 2. No teams, groups or athletes other than from New England, will be allowed at competitive events training sessions or practices at the Icenter. Exceptions with specific quarantine requirements may be granted.**
- 3. Separate entrances and exits must be used and monitored. Teams and spectators will enter through the lower entrance and exit through the upper lobby doors.**
- 4. Teams should arrive 30 minutes prior to their scheduled games at which time they will be checking in and granted entrance and access to their assigned locker rooms. Check in will occur inside the lower entrance.**
- 5. Locker rooms will be available 20 minutes before and 15 minutes after games. Assignments and times of use will be supervised by the event host.**
- 6. Ice schedules will be alternated by 30 minute start times. 15-20 minute intervals will be required between games.**
- 7. Spectators will be allowed in the building for their team's game. Please enter and exit within 5 minutes of the beginning and end of the game. Congregating in any area of the rink will not be allowed.**
- 8. Face coverings are required for spectators.**
- 9. Face coverings must be worn by athletes when entering and exiting the building.**
- 10. Coaches must wear face covering when on the bench with players.**
- 11. Teams must leave the arena following their games with no congregating in lobby areas.**
- 12. Parking lot tailgating will not be allowed.**
- 13. The Icenter may terminate events if it is determined that compliance is insufficient.**
