2020-2021 UWHL Secretary's Report

The UWHL had four Conferences – Red, White, Silver, and Blue. No new teams entered the Red, White, or Blue Conferences for the 2020-2021 season. One team entered the Silver Conference for the 2020-2021 season, the Quarry Cats Black.

Due to the coronavirus pandemic, the 2020 Annual Meeting was held virtually on Aug 9, 2020. It was decided to reconvene in October to re-assess if a 2020-2021 season was feasible. A virtual meeting with all teams was held on Oct 18, 2020. Due to the number of the teams unable to commit to a regular or shortened season and concerns with consistent coronavirus protocols, the Executive Committee decided not to proceed with the 2020-2021 season.

2020-2021 UWHL Treasurer's Report

Biggest costs are always the Playoff games. In 2019, the cost was around \$10,000. Ice, refs, and scorekeeper were, at that time, \$7200. Party, photos and trophies another \$2000. T-shirt sales look like they broke even.

We will have probably 20 teams in the playoffs for the 2021-2022 season. If each team pays a \$300 fee, costs will be offset by \$6000. We can pay the rest with our treasury funds, if decided.
