# Re Opening Strategies

## Strategy for Safety

Creating a plan for facility and/or facility usage by your club/team that at minimum meets guidelines. Recommendation is to exceed guidelines. REMINDER: Expect the plan to be a working plan as information is learned about transmission and as re-opening restrictions are eased.

## Work Your Plan - Update as Needed

Practice your plan. Make necessary changes as reopening phases are updated or plan needs tweaked.

## Communicate Strategy

Share with your stakeholders: parents, coaches, board of directors, community at large. Post on website, email/mail, share on social media, and/or create video.
