Reorder the following: I spoke to Mike about the crab bibs after the Jan. BOD meeting and e-mailed the info. on bibs.. You need to look about ordering more crab crackers. I had the GFAC staff search the garbage and then wash the remaining crackers. I have 36 cracker on hand and 48 cock tail forks

Lottery. After a hiatus of three years.-We brought back the lottery in 2013 and 2014. Numbers in the file. If you decide to do this-we need a buyer, the club treasurer with money, volunteers to sell tickets and announce winners during the band break. NOTE: Greg Johnson has offered a raffle prize-I believe it is a beer making kit. You can contact him at 343-3959 or 208-858-4051. He belongs to the club and primetimers.

Beer and wine. I set up a free beer stand (2-ea-1/6 keg-5 gal (fat tire). To take pressure of the bar while it served the wine drinkers. The beer drinkers then could order the "lite" beer at the barwith their two drink tickets. However, the beer drinkers did not order the "lite" beer and made other selections. GFAC donated one 1/6 keg. For 2013 and 2014 the favorite wines were the same. Well liked by the invitees.

I suggest a pitcher of iced water on each table. A disposable pan as well for the debris. Our contract with the band includes a resting area and cold bottles of water. (see invoice-)
