# Agility for Football

This camp will focus on strength, speed, and agility development for those preparing to play tackle football in the fall. Campers will improve their strength, balance, and coordination, as well as linear and lateral speed as it relates to football. Football-related position skill development will also be emphasized. This camp is a must for high school football players. The youth session for grades 6-8 is in conjunction with the 9:00 a.m. - 10:30 a.m. high school session.
