

## Introducing Coach Adam Maulick!

Please help us in welcoming Coach Maulick to the Appleton East Patriot's family. Coach Adam Maulick is beginning his first year as Appleton East's Head Varsity Boys' Basketball Coach in the 2018-2019 season. He brings with him high school coaching experience beginning in 2005, and continuing until 2014, in the Freedom Area School District. He accepted the position of Head Varsity Basketball Coach at Menasha High School in 2014 through 2018. In addition to Coach Maulick's high school coaching experience, he founded Mission Basketball Academy and the Wisconsin Crusaders in 2010 and continues to serve in the capacity of Director for Mission Basketball as well as the Executive Director for Wisconsin Crusaders. He is presently the Head Coach for the Wisconsin Crusaders boys 17U, 14U, and 13U.

Coach Maulick is excited to be at Appleton East High School to work with the great student athletes there and education community. He is ready to carry on where Coach Mielke left off. He is very passionate about seeing the student athletes excel both on and off the court. He intends to continue to build the program up. The goals he has for the team are to win Conference, make a run in the playoffs each year and put in a lot of work to win a WIAA gold ball!

Coach Maulick resides in Freedom with his wife, Melanie, and their Bernese Mountain Dog, Georgi. They have three children of their own: Logan (21), Mallorie (20), and Jada (20). Their niece, Aalyah, is a significant part of their family too. When he is not delving into basketball, he attends church, spends time with his family, bikes, lifts weights, and plays pick up and league basketball.

## 10,000 Shot Club – Through September

Just a reminder about the 10,000 shot club. This is an off-season program to encourage our athletes to do more shooting. Players are now on their third month of tracking shots. Utilize the four calendar sheets on the AEYBA website (under the Play Better! tab) to record shots made. Players reaching 7,500 (t-shirt) or 10,000 (sweatshirt) made shots this off-season will be recognized the night of a varsity basketball game.
