

Dedication Agreement

This agreement is your commitment to represent and play hockey within the Int'l Falls Rec Hockey Program.

Coaches

- Will be fully prepared for practices, games, drylands, and tournaments. They will provide a secure and organized environment for the players.
- Will have a set of rules and expectations that are in line with this dedication agreement.

Players

- Except for extenuating circumstances or permission has been granted by the coaches, all players are expected to be at all practices, games, drylands, and tournaments.
- If players are involved in any other sport or school activity that conflicts with hockey, the parents and player must make this known prior to signing this agreement.
- Players are expected to show a high level of respect for their coaches and give a full effort during all team activities (games, dryland, practice).
- Most importantly, players will maintain the reputation of Bronco hockey throughout our community, and when out of town, which includes best behaviors, being respectful, and being all-around good people.
- Players must be in good standing academically achieving passing grades.
- Players understand that there is **ZERO TOLERANCE** with bullying at any time. This includes any form of bullying, whether it is individuals, groups, or through technology.
- **ZERO TOLERANCE** on the use of vaping, smoking, drugs or alcohol.
- These rules apply at school, rink, home, and tournaments. You are representing your town, your family, yourself, team and teammates.

Parents

- Parents will support and encourage the commitment the players have made.
- Parents will ensure coaches are notified ahead of time if a player will miss any event.
- Parents will have a positive influence at the rink and at home.
- Parents will bring up and questions or concerns they have along with any additional information they'd like the coaches aware of regarding their player.

The rules in this agreement are in addition to all policies in place by the Falls Rec Hockey Association and Minnesota State High School League. The purpose of this document is to make sure expectations are understood for the upcoming season. Failure to abide by this agreement will result in disciplinary action at the discretion of the coaches and the Rec Hockey Board.

It is a privilege, not a right to be part of Bronco Hockey.
