

Dues Policy for 2023-2024 Season

Last Updated: 07NOV2023

At the fall coaches meeting held September 10, 2023, members unanimously approved membership dues for the 2023-24 INGLA season as follows.

Membership Dues

- Varsity High School Teams \$300
- Junior Varsity High School Teams \$250
- Club Varsity High School Teams \$300
- Club Junior Varsity High School Teams \$250

At the same meeting, members approved extension of the fee waiver program for year 1 of new teams as detailed in the following.

Waived Dues for New Programs

- For any new program in INGLA, their first year of dues will be waived.
- This is not applicable for established programs that add teams (i.e. an established program that adds a second JV squad).
- INGLA treasurer will notify these new teams that their dues are waived for their inaugural year.

At the same meeting, members approved extension of the dues reimbursement policy as detailed in the following.

Reimbursement of Dues

- If a program schedules games for multiple teams, and ends up having less teams than originally scheduled, dues for the canceled teams will be reimbursed minus the scheduling charge paid to the head referee for scheduling games.
- For example (note that values are for example purposes only):
 - Program Blue schedules games for a V and JV squad.
 - Program Blue pays dues for V (\$300) and JV (\$250) squads.
 - Head referee charges INGLA for scheduling V (\$100) and JV (\$50) regular season games for Program Blue.
 - In the spring, Program Blue determines that they will not have enough for their JV squad.
 - INGLA will reimburse Program Blue JV dues minus head referee charge for scheduling JV games ($\$250 - \$50 = \$200$).
