

2019 Beach Schedule

These are our confirmed dates for tournaments. Schedule is subject to change. Check our site for the most up to date information and to register: <https://www.nwvolleyball.com/jrtournaments>

We have a few other weekends that we will be adding events. All tournaments are online registration wither very few walk-up spots available, depending on the tournament. All tournaments are Doubles unless otherwise indicated. AVP or USAV Membership required to participate, depending on tournament.

2019 TOURNAMENT OVERVIEW

There are a lot of changes happening on the beach this summer and we will be directly involved in hosting events on multiple platforms. Our final schedule reflects a mix of AVP America, USA Beach, and Inter-Club Beach Events. We want to make it clear that while many of the events carry a "qualifier" nature to them, they are all open to anyone at any skill level. There is usually room for at least 12 teams at any age group (and up to 36 in some) so that brings a wide range of skill levels and goals. If you are just getting started on the beach, don't let the "qualifier" nature keep you from entering. Every NW Juniors Beach Series Tournament is its own opportunity for you (and your partner) to improve on the beach and we often split into divisions after pool so everyone gets the chance to win a prize. Play in as many as your schedule allows!
