A LITTLE ABOUT US

- We field both a Varsity and a Junior Varsity team in the Ohio Scholastic Hockey League (OSHL).
- We hold tryouts in mid/late August and begin practices at the beginning of September. Our league season runs from November through February, with pre-season events starting in October and post-season playoffs and State tournament in March.
- We put together teams that play in the Chiller High School Summer 5-on-5 League and we also hold on/off-ice conditioning during the summer which is open to both current and incoming players.
- Our coaching staff has playing experience at the professional, collegiate and high school levels.

PRACTICE/GAME TIMES AND LOCATIONS

- Our “home ice” is Chiller Easton and Chiller North for practices. Games are held at all of the Columbus ice rinks when we are “home”. Away games are held at our opponents’ rinks in Columbus, Newark, Athens and Dayton.
- We also participate in several local and out-of-town tournaments throughout the season, travelling up to within a 5 hour radius of Columbus.
- Our practice times are Tuesday (JV 8:40pm to 9:40pm, Varsity 8:20pm to 9:20pm) and Wednesday (JV 8:30pm to 9:20pm, Varsity 9:30pm to 10:20pm) during the season.
