

*Looking for an opportunity to positively affect youth through team sports? Love Volleyball?
Want to give back to your community?*

If so, then you may want to consider joining our team at Mid TN VBC. We are hiring coaches for the 2023-2024 club season. Mid TN VBC has been serving Middle Tennessee for 20+ years offering training programs for athletes of all abilities and ages (5 - 18).

Our Coaching Staff benefits from:

- Working in a positive and professional work environment where our coaches are valued as the most important resource of our club.
- Direct access to our club leadership team who is courtside during all training. With nearly 70 years of club leadership, Rhonda Ross (Owner and Club Director) and Jeff Wismer (Assistant Director) are the most experienced directors in Middle Tennessee. Both Rhonda and Jeff pride themselves in harnessing the strengths of each coach, supporting them as they grow within the profession and their accessibility to mentor coaches throughout the club season.
- ALL our training occurs under one roof at Hooptown Sportsplex (“the blue building” which is an exclusive volleyball training and event destination). Our 5-court practice facility offers our staff members a wide array of employment opportunities including recreational league, volleytots, clinics, academies, recruiting showcases, club team, camps and event management opportunities.
- Our practice, training and event schedules are planned months in advance and rarely change. This affords our coaches a consistent and patternized schedule.
- A generous compensation package, relative to the volleyball marketplace, coincides with an abundance of ancillary revenue streams beyond just coaching a club or recreational team.
- Collaboration with coaches with various age, gender and experience levels are a special feature to your coach association with Mid TN. Whether you are a first year coach or a seasoned coach, Mid TN prides itself in our learning environment for its coaches. Professional development chances abound within this environment.

Mid TN VBC is known for its unique community. This community is cultivated through transparency, a passion for volleyball, creating a safe learning environment for each athlete and an investment in the individual development of each athlete (on and off the court) through the team sport of volleyball. It is essential that coaching candidates understand the mission and history of our club. Moreover, each candidate understands and will comply with all USA

Volleyball and Southern Region Volleyball Association regulations. Once hired, coaches will be required to complete a USAV background check along with completing USAV Impact coaching certification, Safesport certification and Heads Up Concussion training.

Positions available include:

- Recreational League coaches (seasonal - 6 week commitment)
- Training League support coaches (seasonal - Friday and Sunday nights January to April)
- Head and Assistant Club coach (seasonal - November to April or November to June) - we are still pursuing well versed coaches for national, regional and local club teams.
- Summer Camp staff (seasonal June and July)
