The 2019 IRONMAN 70.3 Muncie will be held on Saturday, July 13, 2019 at Prairie Creek Reservoir and the surrounding areas. The event will host over 1,700 athletes from around the world.

You have received this letter because you may be on either the bike or run course for this year’s event. The bike and run courses will be similar to the ones used for the past several years. The Indiana Department of Transportation has approved the course. Traffic will be managed by the Indiana State Police, Muncie Police Department and the Delaware County Sheriff’s Department.

The bike portion of the event will take place from 7 AM on Saturday, July 13 through 1:30 PM. The run course will take place from 9:15 AM to 4:30 PM. We ask you take these times into consideration when traveling in Muncie on Saturday, July 13. Please wait for a signal from a volunteer or security officer before pulling into oncoming athlete traffic.

Please, also remember to keep your pets away from the roads during this time. A collision between a dog and a cyclist is extremely dangerous for all involved!

This is a great event for our entire community. Please help us show the athletes a warm Hoosier welcome and take a moment to cheer on athletes from across the world. If you would like to become involved and volunteer for this event, please e-mail us at MUNCIEVOLUNTEERS@IRONMAN.COM.
