KOHA House B Hockey Commitment Contract

Thank you for registering for the **2020-21** KOHA 10U House B Bronco Hockey Team.

The cost of the program is **\$2,455.00** per player. **The obligation to make the minimum monthly payments of \$391.00 begins Oct. 30th.** All payments will continue to be paid using your KOHA online account and **ending Feb. 28th.** If account payments become delinquent, you authorize KOHA (with your signature below) to automatically charge the credit card on file in the amount that is owed to make the account current.

A \$500.00 commitment fee, \$300 that is non-refundable, is required to secure your player's spot on the team. Joining the team means you are responsible for paying, and you agree to pay, the player's equal share of the team's budget, including, but not limited to, costs for ice rental, referees, tournament fees, USA Hockey and MAHA registrations, annual KOHA administrative fee and coaching fees. The total team cost does not change when players are injured, ill, suspended or otherwise not playing. You are paying for a place on the roster, not playing or practice time. No portion of the player fees will be refunded at the end of the season.

The KOHA House B Hockey Payment Policy is part of this contract, which is on the reverse of this page. There are penalties for delinquent accounts, including player suspension. If unexpected financial issues arise, KOHA will do our best to work with you to arrange an alternative payment plan, if necessary.

The coaching staff looks forward to an excellent season. The goal will be continued player development, which requires dedication and cooperation from each of us to make it successful. Thank you for choosing to participate in this program.

REGISTRATION FEE PAYMENT POLICY AND CONTRACT
FOR BRONCO HOUSE B TEAMS**

KOHA's House B initial registration fee refund policy applies only to "House B" teams registered as "B" teams with MAHA. This policy applies only to registration fees. To secure a place on the roster following fall evaluation skates, the parents or guardians of each player will sign a commitment contract and was required to pay a **\$500 registration/commitment fee of which \$300 is non-refundable**, provided there are a sufficient number of players to form a team. If we do not have a sufficient number of players to form a team or if conditions do not allow for us to play, then KOHA will refund the entire commitment fee (\$500)

No coach, administrator, officer or other agent or employee of KOHA has the authority to alter the contract formed by the commitment contract or to refund, promise to refund or offer to refund any commitment fee. The contract formed by the signature of a parent or a guardian on the KOHA commitment contract cannot be altered except by Mutual agreement with the president of the KOHA Board of Directors.

Players who have made a commitment to another team must advise KOHA in writing of that commitment and must also notify the team to which a previous commitment has been made of the intention to commit for a KOHA team. A player who has signed a KOHA commitment letter who later commits to another team will forfeit the right to be rostered by a KOHA team and, if possible, will be replaced by KOHA. However, the registration/commitment fee paid to KOHA will not be refunded, even if a replacement player is found. Registration/commitment fees help assure that players registered for participation with a team fully intend to sign a Fall/Winter season roster. Players who commit to other teams after committing to KOHA cause disruption.

KOHA will consider refunding a portion or the entire registration/commitment fee in only exceptional circumstances occurring before the roster is signed. KOHA reserves exclusively to itself the right to make the determination as to whether a commitment fee should be refunded. Examples of cases in which a refund will be considered are: (1) the death of the player; (2) a serious injury or illness making it impossible for the player to participate in the entire regular Fall/Winter season following the commitment; (3) a change in residence outside the area from which KOHA players are normally drawn if the change of residence is occasioned by the transfer of one or both of the player's parents on active military duty pursuant to military orders; or (4) other similar hardship.

All refund requests, regardless of the reason, must be made in writing and given to the KOHA Director of House B only!

Refund requests received in writing to the KOHA Director of House B may be prorated on MAHA guidelines for in season refunds.

For season ending injuries or illnesses, the refund will be pro-rated less the \$300.00 Commitment fee. Medical documentation (if requested) along with a written refund request must be submitted to the House B Director.

Refund requests and medical documentation can be sent to:
