A Message from our DOC

I hope everyone had a great summer and is excited for the new soccer season!

Our junior teams are getting their game schedules set for the fall season and have started training. Coaches will use Playmetrics's Team Calendars to let you know dates/times for trainings and games. Please check calendars routinely for updates.

Most of our senior players are playing soccer for their high school teams this fall. It's so much fun to see your clubmates and play against each other in friendly rivalries at all of the different high schools we have represented in Impact.

Wishing all of our players a fun and successful fall season!
