75TH ANNIVERSARY CELEBRATION

(SHSAA continues to celebrate our 75th Anniversary. Below is one positive high school sport story that was shared!)

"Weyburn and Estevan have had a long standing tradition of rivalry and competition between our schools and communities. Every year, we have a competition between our senior volleyball programs in the fall (CO-OP series) and our senior basketball programs in the winter (McLeod Series). This involves a home-and-home series where the total wins (2 boys games and 2 girls games) after the 4 games decides the winner for that year. If the games are split (2-2) the tie break is the overall point differential in all four games. After 83 years of competition, Weyburn holds a lead of 43-40! Hoopla atmospheres are seen with packed stands and chanting students! Students currently in our school would have had their grandparents playing in this event! Something that I love about our school and what high school athletics can mean to a community!"

- Jody Kerr, Weyburn Comprehensive School
