

Please see the OSAA league rules below regarding our new playing protocols for Fall 2020

OSAA Sports League Return to Play Guidelines for Parents and Players

- Participants should have no signs or symptoms of Covid-19 in the past 14 days or exposed to anyone that has been ill.
- We ask that parents take their child's temperature at home before games and practice. Players having a temperature of 99 or above are asked to stay at home.
- Please keep your child home if they have any of the following symptoms:
 - fever, chills, muscle pain, shortness of breath or difficulty breathing, cough, sore throat, loss of taste or smell, nausea, vomiting or diarrhea.
- Please notify the coach if your child becomes ill.
- Spectators must wear masks or maintain 6 feet of social distance from others who reside outside of your household.
- Players must wear masks to and from the fields.
 - Players do not need to wear masks during the game. However, please feel welcome to encourage your child to wear a mask during the game.
 - Players on the bench and belongings must keep social distance or wear masks.
- Before joining the team for practice and games, players must sanitize their hands.
- Goalies must sanitize hands before entering the game.
- Arrive 10 minutes before the game. If you are early, wait in the car until the appropriate time.
- Players are encouraged to keep social distancing during warm-up.
- Players on the bench must keep social distance or wear masks.
- No thrown-ins, kick-ins will be used instead.
 - Referees will place the balls for kick-ins and set pieces (corner kicks, goal kicks, direct kicks, etc).
- No heading the ball.
- Players and Parents must leave the fields within 5 minutes of their game ending.
- Game balls will be sanitized before and after the game and at halftime.
- No snacks or drinks can be provided to the team.
- No sharing of water bottles.
- No high fives, hugs, handshakes etc.

Thank you!
