HHA has so much to be proud of! These pictures represent just a few of the reasons. This year we sent 11 teams to state! Of those teams, 8 of them played in their tournament's championship games. That alone is something to be proud of. Our two Squirt C teams battled it out in a fun game for 1st and 2nd. Way to finish strong, HHA! We are all proud of the hard work our kids have put in over the year.

If you missed getting your state apparel WAHA has posted a link for ordering:

Sadly, our PeeWees never got to participate in their State Championship tournaments due to COVID-19. They also worked very hard this season, with all 3 teams qualifying! Way to go, PeeWees!

2nd Place Finishers!

What's Going On Around The Rink?

The leaders of our PeeWee teams worked together to pull off a fun day for the players in lieu of their State Tournament being cancelled. The 3 teams were split up to make 4 equal teams and the goalies rotated for each team. Each game was two 20 minute periods. Two games even went into a shootout! The players were able to end their season on a high note for sure! Thank you to all the parents for making this an amazing day for all of them.

COVID-19 Update

Per Governor Tony Evers' Emergency order #5 Hudson Hockey is suspending all operations until further notice. Per the current situation and the directive from the governor, this is the only course of action at this time.

Suspended operations include outside ice rentals, HHA programs including Learn-to-Skate and Rink Rats, team parties, equipment return, and any remaining practices (Junior Gold).

In addition to these activities, we have also suspended Bingo until further notice.

Also cancelled was the Sportsman's Dinner Raffle scheduled for March 28, 2020. Details regarding the process of issuing of full refunds of raffle tickets purchased to date was released on Wednesday 3/18/2020. It is still our intention to hold the event in 2020, we are currently looking at dates sometime in September and October and will provide details as we know more.

Stay safe and healthy!

Let Us Introduce:

Mitch Kullman

My name is Mitch Kullman and I'm currently the VP - Support of Hockey Operations (VPSHO) for Hudson Hockey Association. I have lived in Hudson since 2011 with my wife Lindsay and our 2 boys, Henry and William.

We got involved in Hudson Hockey when our oldest was 4 1/2 and wanted to give it a try. We've been hooked ever since. I got involved with the board after our first year in hockey, mainly to get more involved in the community and to better the communication from the Association to its members. I started out as the Mite 1&2 Age Level Representative and did that position for 2 years. It was great to get to know the families and skaters, get involved in the Association and get a sense of community from Hudson itself.

I decided to take the next step and run for the VP Support of Hockey Operations 2 years ago and then decided to re-run for the next 2 years. In my position, I oversee the Tryout Process for the Squirrels, Peewees, and Bantams. If we had a larger Girl Program, I would oversee the Tryout Process for the U10s, U12s, and U15s. I also oversee the Volunteer Coordination throughout the Membership with the help of the Volunteer Committee. The Volunteer Committee makes all of the Association job tasks easily accessible and manageable for the members to sign up and track hours throughout the hockey season. Another part of my responsibilities includes ordering the Association jerseys and socks and other supporting hockey equipment.

I'm looking forward to the 2020-2021 Hockey Season and it all starts in April as I begin the Tryout Process setup and make necessary calls for all of the positions needed to have a successful tryout event. I hope everyone has a great off-season or Spring/Summer season and stays healthy during the Covid-19 pandemic.

We are currently looking for 5-6 people for paid positions to help with **BINGO** at the Smiling Moose. These positions will start in the fall.

Please contact Fran McLellan at mclellansconcessions@gmail.com to find out how you can help! This is a great fundraiser for HHA but we need your help.
