Important Notes

- During the last Club Director's Meeting in 2019, it was agreed that the schedule would be 'front-loaded' with league games
- These means that all make-up weekends would be placed at the end of the regular season as opposed to randomly placing them in the middle of the season
- At first glance it may appear as if there is a lot of time between the last weekend of regular season play and the beginning of the playoffs, but history has proven that inclement weather regularly forces rescheduling. We expect regular season league games being played on make-up weekends due to the typical rain we receive in April and May.
