

SWCYHA Sportsman's Banquet 2026 Sponsorship Form

SWCYHA is a non-profit hockey program servicing the greater Wisconsin Rapids area offering programs to boys and girls of preschool through high school ages. The coaches, managers, and Board of Directors consist of dedicated parent volunteers who ensure kids have fun in the sport of ice hockey. We strongly believe that no child shall be left behind – **any child that wants to play hockey, can play hockey.**

With your participation and generosity towards our Sportsman's Banquet, our teams are able to participate in local and regional tournaments/events and our association also has the ability to keep registration fees significantly below the true cost of running a quality hockey program. Along with our other fundraising activities, the help of supporters like you is critical to both the short and long term success of the association's ability to provide a safe, fun, and affordable youth hockey experience for all members.
