# Volunteering

- Volunteers help provide our kids, families, and referees with a fun, rewarding soccer experience
- The goal of the volunteer policy is to fairly distribute a huge workload among all of the Salvo families
- Each family is required to volunteer **5 hours** during the soccer year

# Volunteering

- The soccer year runs from August 1, 2018 through July 31, 2019
- Need to have hours completed by June 30 can buy out prior
- Most families put in their volunteer hours by working at tournaments hosted by our club
- Other miscellaneous volunteer opportunities will be available throughout the year and posted on Dibs
- If you have a talent that would be helpful to the club, please reach out to Alisha Thornell to inquire about applying it towards volunteer hours

# Volunteering

## Buy-out

- If your family chooses to buy out the 5 hour volunteer commitment you must pay the buyout fee online by May 1

**IMPORTANT NOTE:** At this point in time approved volunteer opportunities are on DIBS or performing head coach, assistant coach, and team manager roles
