

# Parent Sign-In Instructions

1. Click or paste the link into your browser or scan the QR code to download the Snap! Mobile App and enter the join code below.

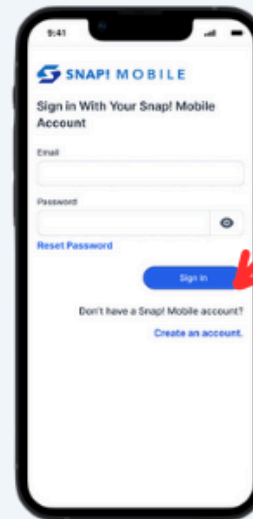

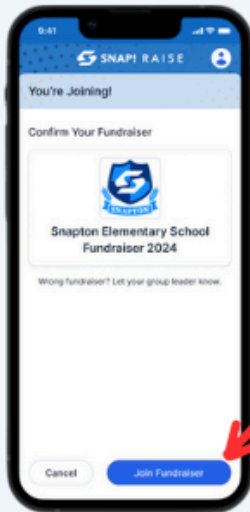

**JOIN CODE: 858-446-154**

If you are unable to download the app you can follow this link:

[http://raise.snap.app/join\\_code/733875003](http://raise.snap.app/join_code/733875003)

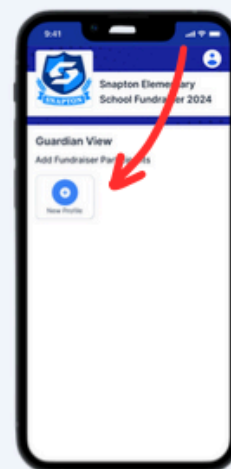

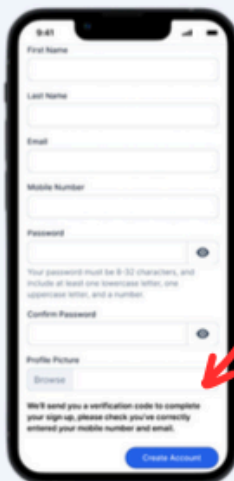

2. Click Join Fundraiser

3. Click "Create an account"

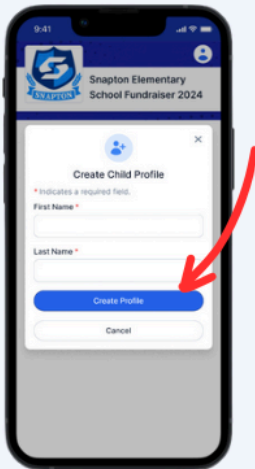

4. Set up your parent profile and click Create Account.

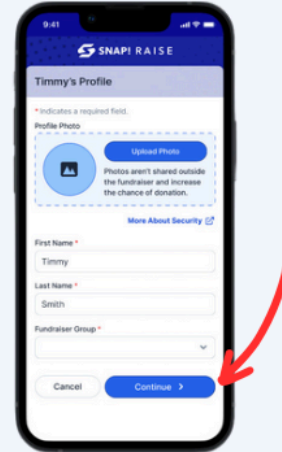

5. Click New Profile to add your 1st child profile

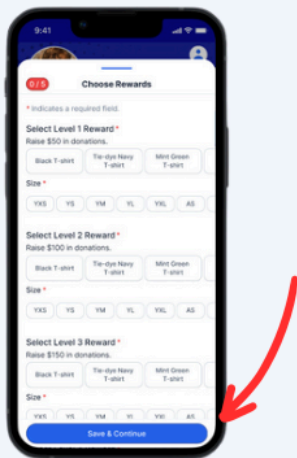

6. Enter the first and last name and then click create profile.

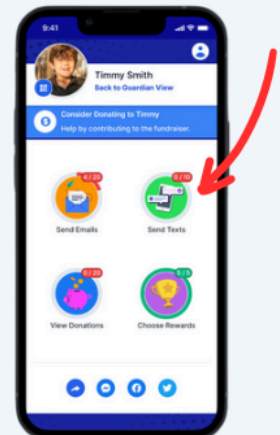

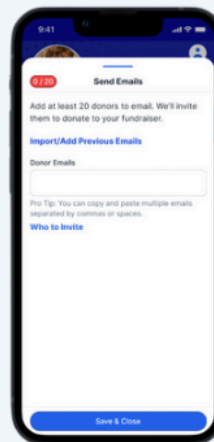

7. Add your 1st child's photo and select their group. Then click continue.

8. Select the preferred reward prizes (if applicable). Then click Save & Continue.

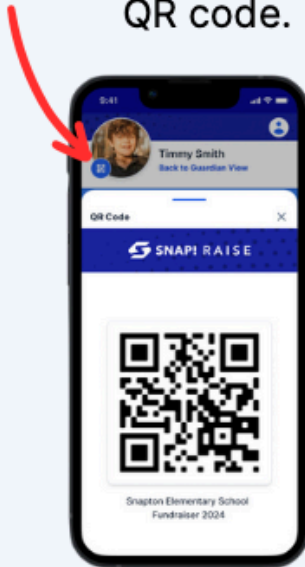

9. Share the campaign by adding emails or sharing via text. Snap! Raise offers a texting service or you may text directly from your phone once the campaign is live.

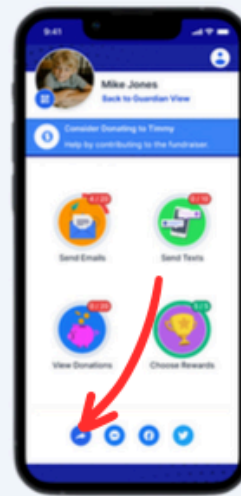

10. To share the campaign via QR code, once it is live, click the QR code icon by your child's profile picture. You can also screenshot this so that your child can easily share the QR code.

11. To share more widely with your network, once it is live, click the general share button and select any social app on your phone like Instagram or WhatsApp.

12. To add an additional child, click "Back to Guardian View" and repeat steps 5-8.
