

Guilderland Cal Ripken Scholarship Application

Baseball is a fantastic sport. It is also an expensive sport. For some families, paying the fees and costs associated with youth baseball can be a real financial burden.

To evidence it's commitment to provide baseball to as many players as possible without causing a severe financial impact on families, the Board of Guilderland Cal Ripken has created a scholarship program for those families that demonstrate the need for assistance.

If awarded a scholarship, you will receive a full or partial refund for the fees that you may have already paid for the season, or we will register your child for the season if you have not yet paid.

The Scholarship Committee will keep confidential, to the extent possible, any information included in this application as well as the fact that your application was even submitted. Not even the coaches will know.

Please complete the entire form and confine your written comments to the space provided.
