### “RETURN TO PLAY” CLUB RULES: PRACTICES

As you know, this season is not like any other we've seen. While we continue to try and understand what the 2020-2021 season will look like, we have been working very closely with the rink and the staff at Hatfield, as well as Genesis volunteers and Executive Committee Members, to put together a set of rules that all teams will abide by in an abundance of caution during the pandemic. The rules below are what we plan to move forward with effective immediately:

- Upon arrival at Hatfield, please put your **masks on**... players and parents.
- Players may **arrive at Hatfield Ice already dressed** or with their equipment in their bags. Locker rooms will be utilized for all practices with a **maximum of 10 players per locker room**. Each team will have **2 locker rooms assigned for each practice**. It is the responsibility of the team coaches and manager to ensure that locker rooms are not overcrowded and that masks are being worn at all times (except on the ice).
- **Parents with players who can dress themselves need not enter the rink**. Those players who need assistance can be accompanied by **ONE parent/guardian**, however, once the player is ready, that person will exit the rink through the side doors.
- Players will **check in upon arrival** at the rink with their coach or manager and will have their temperature taken. **Anyone who has a temperature of 100° or higher will not be permitted to take the ice that day**.
- **Parents/guardians will not be permitted to remain in the rink during practices**, however [LiveBarn](#) will be available.
- Coaches will **minimize the use of the benches** during practices and will do their best to keep players socially distanced while on the ice.
- The use of **team or shared water bottles is strictly prohibited**.
- If a player travels to a region that is currently considered a **“hot spot”** by the State of Pennsylvania, they will be required by GHC to **quarantine for 14 days** following their return to PA. A list of current locations can be found [HERE](#) (this changes frequently, so coaches and managers, please stay advised)
- Hatfield Ice has provided us with a **comprehensive policy for re-opening the rink** that can be found [HERE](#).
