

2020 Central Colorado GS Project Announcement

Project Dates:

- Travel: Arrive Oct 22, Depart Oct 26 after skiing
- Train: Oct 23-26 at Loveland

Invite: Divisional Selection – Contact your Divisional Manager for info

Staff:

Kristina Revello - Rocky Central Regional Coach

Patrick Mich - Central Regional Manager

Support staff TBD

Project Goals:

1. Prepare athletes for upcoming 2020-21 season in GS
2. Winter snow GS skill development and refinement
3. GS skills, drills, and mileage in freeski and constraint based environments
4. Divisional training group and collaboration amongst athletes and staff

Athlete Travel:

Athlete flights, transportation, lodging, and meals are not included in the project fee.

- Athletes and clubs are responsible for their own transportation, lodging, and meals
- Virtual meetings every night to debrief the day and preview the next day
- Video and training times will be available for everyone to access online

Project Fee: \$225 – This fee covers the lane cost, tickets, and coach's expenses.

Registration:

This event will be located in the Athlete Event Registration tool and is located in the Rocky Central drop down. We are using [My.USSA](#) and payment is necessary at the time of registration. By registering you are securing your spot in the project. Refund policy: 50% returned if cancelled within 21 days of arrival, 25% returned if cancelled within 14 days, 0% returned if cancelled within 5 days.

Please [follow this link for the US Ski and Snowboard Team Agreement, Medical and Liability Releases](#); mountain specific release forms will come later. Reach out to [Patrick Mich](#) with any questions or concerns.

Please fill out this [Google Signup form](#) to reserve your spot and provide accurate contact information!
