

AASA Board Meeting  
7/25/2021  
6:30pm  
BHGRE Building

Attendance: Shawn, Heather, Steph, Brandon, Emmy, Mike

Meeting called to order at 6:30pm

Kids Expo will be September 22 from 4:30-6:30pm. It is \$40 for a booth or \$60 for a larger corner booth. Heather will reserve/pay for a booth for us. We need to think of activity/giveaways/flyer for that.

Coach/Referee Pay:

Heather is working on checks and will give those out when they return equipment. The accountant informed us that the per diems would have to be 1099.

Returning Equipment:

Shawn will contact Jason about a date for returning equipment and receiving checks.

-Wondering if there is a shed at the high school we could use (or put up) to keep equipment in there? Shawn will talk to Rick and see what he says.

Summer Re-Cap: (ideas for next year)

- roster heavier next time (with injuries, other sports etc. teams were too light)
- Schedule more tournaments
- go to tryouts for teams
- go back to having parent meetings before the season
- better educate the coaches on who to contact when they have a specific question/need. (not just one person)
- reach out to MYSA about other closer league play (we need more variety/more competitive teams)

Emmy would like to have a coaches party as a thank you for the summer season. Board thought this would be a good idea. Emmy will check into places to have the party.

Middle School Practice Coaches: board decided on paying \$1200 for each a boys and a girls practice coach

Equipment:

We spent a lot of money on equipment this Summer. Please make sure that Heather is receiving invoices for everything that is purchased. Please make sure that we are not spending without board approval. We should consider making a special email for orders/spending that Heather is included on so that she receives all information/invoices.

Uniforms:

This summer we had issues with people ordering jerseys on their own etc.  
ALL uniform orders/Stimulus orders should go through Steph only

When talking about new uniforms, ask if sponsors change the cost of the uniform, can we have multiple sponsors, etc.

We should talk about a committee or people to seek sponsorships.

Fall and Indoor Soccer:

Emmy said that she can take on Fall programming

Will start the week after school starts (Sept 12 and 13) \$60
