## 2024 Season Sponsorship Letter

The Greater Kingston Softball Association would appreciate knowing if your business would be interested in sponsoring a softball team this year. Our organization is responsible for overseeing the game of softball for boys and girls aged 5-29 years. We are a member of the inter-community softball association which works with neighboring townships. We strive to ensure that participants receive proper guidance to play the game in a safe and friendly environment and promote sportsmanship, community spirit and good fellowship.

Local businesses can assist through team sponsorship and receive a good return for their advertising dollar. The sponsored team will receive jerseys with the company name promoted on them which they keep at the end of the season and your business will be promoted generously through our social media channels and web-site. Sponsorships are 100% tax deductible.

**The cost to sponsor a team is \$350 or \$525 for 2 teams.**

Your contribution will help further the development of these children through the sportsmanship of softball and help us provide playing equipment and uniforms. It takes a great deal of money and thousands of volunteer hours and time to provide over 450 children, which fields 40 or more teams with sponsors, coaches, conveners and assistants for each team. Your money through sponsorship goes a long way in keeping costs down so all children can afford to play.

If you can sponsor a team this year please fill out the information below and return to us prior to **April 1, 2024**
