We are pleased to announce that the **SACYSL** has partnered with **F.H. Dailey Chevrolet** through its Chevy Youth Soccer program. This program will provide our league with new equipment, instructional opportunities as well as monetary support.

In 2018, the Chevy Youth Soccer Test Drive Fundraising Opportunity is a program by which **F.H. Dailey Chevrolet** will provide **\$25** on behalf of every customer that visits the dealership and takes a test-drive in any one of the new Chevrolet vehicles in stock, up to a maximum of **\$500**.

When visiting the dealership, please mention you are looking to support **SACYSL** through the Chevy Youth Soccer test-drive fundraiser program. At programs end, **F.H. Dailey Chevrolet** will provide the **SACYSL** with a check for the total number of validated test drives.

Hurry in as the test-drive program officially ends on November 30, 2018 or whenever the supplies are exhausted.
