Hello Raptors Advisors, Coaches and Boosters!

The link below is a google document that lists all of the winter concessions events for the upcoming winter sports seasons.

<https://docs.google.com/spreadsheets/d/1ZGkOqIKDOMocH9wxMeQtMIHMFy1KjBlzf25Gja18SsU/edit?usp=sharing>

This document will allow you to see what events are available and then which ones have been assigned after November 9<sup>th</sup>. The school-wide concessions program will be in full effect for the school year of 2018-2019 and all activities are welcome to work the concession stand at events this school year.

If your group wants to earn some money by working concessions, please email me with the event/shift #s your group would like to be considered for and we'll do all we can to accommodate each request. If you don't care which events your group staffs, please just reply to this email message requesting X number of events.

Shifts for winter events will be assigned by Friday, November 9<sup>th</sup> at 4:00 pm. You can simply click on the link above after 4 pm on November 9<sup>th</sup> to see what shifts your group has been assigned.

If you have received this email and there is a new or different booster club rep who coordinates the volunteer efforts of your group, please forward to that person.

Thank you and Go Raptors!
