

CPHL BOARD MEETING MINUTES – FRIDAY, APRIL 14, 2023, VIA ZOOM 5:30PM

Attendees – Kent Barrett, Kevin Lawson, Sharon Blackwell, Gerald Doucette, Ishan Manerikar,

Chase Petruska, Tracy Petruska

Purpose of Meeting – to discuss the finalization of the tournament team for the 2023 season.

Agenda

Discuss final tournament team/teams.

Meeting was called to order at 5:30pm.

Kent opened the meeting at 5:30 and noted the reason for the meeting was to discuss and vote on how many tournaments to attend this summer. The two options are, London, Ontario, June 29-July 4 and Toronto, Ontario, July 7-10.

Kevin, Chase and Tracy indicated that they have called all of the players to determine the level of interest in attending one or both of these tournaments. The results were that there were originally 14 players interested in attending one or both of these tournaments. We were then notified that two players no longer had interest in going and it was determined that one player would not qualify since he did not join the league until January 2023, this left 11 players interested. It was noted that there would not be enough interest from level one players to attend the Toronto tournament so it was decided that we would send one team of 11 players to the London tournament.

Kevin, Chase and Tracy would contact these 11 players and advise them that they can attend if still interested and all of the pertinent information was provided, and a deadline of May 1 was given for players to send in their fees and name their attendant.

Meeting was adjourned at 6:35pm.
