Dear Prospective Team Sponsor:

On behalf of the La Porte Girls Softball Association, I would like to extend an invitation to you and your company to become a sponsor for one of our 2026-27 season softball teams. The La Porte Girls Softball Association is a non-profit organization dedicated to the development of our youth, through a judiciously supervised athletic competition.

By participating in and sponsoring a team, your sponsorship can help our teams with tournaments as well as additional team gear. It is important to keep the playing costs as inexpensive as possible. Sponsorships help ensure that our volunteer coaches can provide the best playing experience possible, for the girls in our community.

Your donation will help us meet these goals and reciprocate your support with adequate local exposure for your company, within the growing softball community. We sincerely hope your business will be able to help our girls by providing the support needed for a successful and memorable softball season.

Please take some time to review the sponsorship information that I have included with this letter.

Thank you in advance for your consideration and support of the La Porte Girls Softball Association. We look forward in building a strong partnership with your company.

Sincerely,

Megan Smith

**LPGSA President**
