

2021 Husky Football Season

Dear Husky Sponsors & Supporters,

On behalf of the players, coaches and families at Horizon High School, thank you for your current support, your consideration to support our 2021 Football Program and your generous support during our 2020 abbreviated season!

We are excited to announce the arrival of our newest Husky family member – Coach Andy Litten. Coach Litten has a proven track-record with his accomplishments at Marana High School for 7 years as the head coach and most recently as the Offensive Coordinator at Chandler Hamilton. We are anticipating a phenomenal season!

We are thankful for our sponsor partnerships, especially during our shortened 2020 season. Thanks to your support we were able to offer the opportunity for our players to come together as a team providing a strong mental health outlet, conditioning to keep our players in prime physical shape and allow our boys to stay goal oriented for the upcoming 2021 season.

We need your help for our 2021 season! Due to the COVID-19 pandemic, we are having to rethink our football fundraising. We are asking for your generous support to help us to continue to offer a high-quality football experience for all our players. Funds raised through the Husky Gridiron Football Booster Club support the players and coaches of Horizon Football in many ways: providing new training equipment and maintenance, purchasing uniforms, producing game film, providing game-day meals three days a week every week to all 130+ players, and supporting team-building activities to help these young men grow into hard-working, upstanding members of the community.

During the season, Husky Football sponsors are featured in full-color banners at Husky Stadium, recognized during game time announcements, included in our game-day digital programs and presented to our community in a sponsor spotlight during half-time at all home games. We are continuing to expand our presence on social media reaching an even larger group through our Husky alumni. Our sponsors are highlighted on our Facebook, Instagram and Twitter pages as well recognized on our website (www.huskygridiron.com) with a logo, video commercial and link to their company website. This season we are excited to continue our Livestream coverage of all Varsity games and all Horizon football home games which will provide additional recognition for our Husky sponsors.

Husky Stadium is normally visited by more than 15,000 people each and every football season, we expect an even greater number this season attending games due to missing out on attending in person last season. Our social media pages have more than 2,500 followers with this number to continue to increase due to our Livestream coverage. Our individual sponsor messages on Facebook reach an average of 500 people per post. In addition, our football family includes some 130 current Horizon families and thousands of alumni who gratefully recognize the importance of our season sponsors. Husky families support your business with our patronage and the referral of our friends, family and neighbors.

We invite you to be a part of the Husky Football tradition (established in 1980) in 2021. Our continued success relies heavily on your support. Thank you for your loyalty and generosity. **Go, Huskies!**

Sincerely,

Andy Litten

Head Football Coach, Horizon High School
