

2026 Monticello Youth Football Scholarship Information

What is the MYFA Scholarship Program?

The Monticello Youth Football Association believes that all children in our community should be able to participate in sports despite their family's income. We offer a payment plan when registering early or you can submit an application for a Scholarship grant which can help subsidize fees. The program is confidential and participating in the program has no impact on the level of play or time on the field. If your child is interested in playing, please print this application or contact the Secretary of the Board for an emailed copy at:

secretarymyfa@gmail.com

How Is a Scholarship Determined?

The Scholarship application will be reviewed and voted on by the MYFA board members. A representative of the board may contact you for further information so we can better serve you.

While MYFA has a limited amount of money set aside for Registration Scholarships, we will always do our best to help all families. Since MYFA is 100% volunteer dependent, we require that in exchange for Registration, all scholarship recipients provide volunteer time to the organization. As a base line, each family will be asked to fulfill 3 hours of volunteer time at association events and fundraisers.

Once you have submitted the Scholarship application, this process could take up to 30 days to be reviewed. Please make sure that your application is submitted by July 1st, 2026 to ensure we have the scholarship approved and your child is added to the roster for participation. The Board of Directors will update the status of any scholarship applications via email on or before July 17th, 2026.

This process is confidential and only our MYFA board members will see your information. If you have been selected to receive a scholarship, one of our board members will contact you and process the application. All applications are confidential and only used to assess the need of the Scholarship.
