This program is designed to get the players skating before pre-season warm-ups and tryouts. At each session there will be a warm-up (20-30 minutes), practicing of various skills (**edge work, stick handling, passing, support concepts, etc.**), and then lead into 3 vs. 3 cross/half ice games and/or full ice 4 vs. 4. There may be full ice 5 vs. 5 for HS players only.

By participating in this program players will have the opportunity to increase their fitness level from having the summer off and enhance their on-ice awareness and creativity in preparation for association/HS tryouts.
