

# Midwest League Travel championship

2020-2021

The Midwest hockey league is excited to announce revised details for play during the upcoming 20-21 season. Leaders have been planning tirelessly over the summer to create a model which we feel allows freedom and flexibility across the affiliate while at the same time provides structure and a true end of season champion for each division. All teams who register will be required to play 12 “regular season” games against a minimum of 4 different opponents from the pool of teams registered. All teams will then be seeded into gold and silver divisions for the championship weekend planned for Des Moines, IA-Mar 12-14, 2021.

Please note important dates and details below:

## **Sept 15-Oct 15, 2020**

- Registration available for MWAHA travel teams at [www.tristatehockey.com](http://www.tristatehockey.com) , all teams who plan to participate in the regular season and year end event need to register and submit a non-refundable \$200 down payment. A portion of that down payment will be applied to the finals entry fee which we estimate will be \$1,000-\$1,200 per team.

## **Oct 16-31, 2020**

- Team Managers and coaches will receive contact information from other member teams and begin to network setting up their 12 regular season games (Ideally a mix of home and away sets) which then must be submitted to the MHL scheduler. If you have already set up games before the Nov 1 start date that is fine, games can be counted retroactive if both teams agreed those will be counted as regular season games.

## **Nov 1, 2020-Feb 15, 2021**

- Midwest hockey league regular season play occurs, each scoresheet will need to be submitted to our league statistician with results and standing being kept in real time available on the MHL webpage. Team managers will be given access to enter their own game schedule and post their own scores.

## **Feb 16-Feb 28, 2021**

- The Midwest hockey league committee will create a scoring matrix based on regular season results that seeds teams into two divisions for our year end tournament: Gold and Silver

## **Mar 12-14, 2021**

- Midwest league travel championship-Des Moines, IA
