

High School

Girls & Boys

Winter/Spring Tryouts
October 25, 2020

4:00-6:00 p.m. at Denison Field
1015 Quarry Dr., Cleveland Heights

Training and playing with OPFC over the Winter/Spring will allow high school players to improve technique rapidly, to increase tactical awareness, and to maintain a top fitness level all while training with top level coaches. Local high school programs have already seen the benefits of having players join OPFC. All Northeast Ohio area players are welcome.

All selected players will be placed on teams that will be coached by OPFC's professional coaching staff. Our teams will compete in the first & second sessions in either the Indoor CASA league or the Great Lakes Futsal league (November - March) and in the CASA League in the Spring (April - June).

To register: visit opfcle.com and select tryouts.

Registration is FREE, but you must register so we know which players are interested in playing and to keep you updated on important information.

OPFC is directed by Dennis Weyn, recognized universally as one of Ohio's finest youth coaches.

Dennis' OPFC staff, includes present and former varsity head soccer coaches at the following area high schools: Cleveland Heights, VASJ, Hathaway Brown, Beaumont, Harvey and Shaker Heights.
