We sure do miss our soccer family and hope everyone is staying healthy and active!

The Executive Board, Board of Directors and Staff have had extensive conversations about our Spring season, our finances, and how we can do right by the members, coaches, and the club. We are facing many difficult decisions and every conversation ends with ensuring that our players have a club when the pandemic is behind us.

Following the guidance of US Youth Soccer and FYSA currently **all training is suspended through May 3rd.**

We will cancel May 1st training payments for those of you who are paying monthly by debit/credit card until we have further direction. Should we be able to resume, we will draw/collect monthly payments accordingly. If we are unable to get a final month of training, no payment for May will be collected, and refunds will be issued for those who prepaid by the end of the month.

This moment in history transcends sports and it is a time for all of us to come together and take care of each other. With that thought in mind, continue to train and follow our director of coaching's training videos.

Be sure to follow us on Facebook, Instagram, and Twitter for more training videos and website throughout the coming weeks for future updates. If you have any questions, please feel free to contact us.

Sincerely,
