

The Annual Trojan Challenge Fundraiser begins September 25, 2020. This fundraiser is the most profitable fundraiser for the Parkland Football Booster Club. What makes it successful are the players. This activity gives the players an opportunity to send a letter to their biggest fans, tell them about their team, and to request support.

All funds raised by the Booster Club go directly to the benefit of the teams. The largest expenses come at the end of the season with player awards, scholarships, and gifts for the coaches. Every player is recognized at their respective end of season banquet or party from middle school, freshmen, sophomores, juniors and seniors.

- Players will need 5 addresses
- Fill in the name of the fan(s) who will receive the letter (ex. Dear Grammy and Pop-Pop)
- Player will sign name
- Player will address the envelopes
- Player will fold letters and put in envelopes
- Return the envelopes in large manila envelope to coaches and the Booster Club will put stamp on envelopes and mail to fans

Any questions about this fundraiser should be directed to an Officer of the Booster Club or email us at phsfootballbc@gmail.com.

THANK YOU IN ADVANCE FOR YOUR HELP IN COMPLETING THE ENVELOPES
