HFSC families,

It has been a challenging, confusing, frustrating time in our community. The Homewood-Flossmoor Soccer Club has been part of this community since 1974. Eliminating the Spring season was a very difficult, yet necessary, decision to make. Here we are again, faced with the Fall season decision. It is not easy to say, but we must cancel the Fall 2020 season as well. The HFSC Board of Commissioners did not make this decision lightly. We went through the 150+ survey submissions, looked at local and IYSA guidelines, and talked at length about the impact on the community.

Bringing soccer to the youth of Homewood and the surrounding areas is our only mission. We remain committed to serving our community, and we miss being on the fields with everyone. Here is where we are looking for your continued support. We have a committee that is working to create an online soccer camp. It will be a free service available on our social media outlets and our website, and feature skills and drills your soccer enthusiast can do independently or with a small group (based on your comfort level). We still want to get everyone on the fields and are hopeful we can run a modified version of the Pumpkin Cup in October (whether virtually or in-person). For this to be successful, we need your participation. Please “like” our Facebook page (HF Soccer Club) and “follow” us on Instagram (hfsoccerclub1).

We are also in need of a few more volunteers to keep the HFSC going. Currently, we have openings for Treasurer and Vice President. If you want to give back to the community and volunteer with us, please contact me at scpres@hfsoccerclub.org. I look forward to hearing from you.

Thank you for your time.
