2020 Registration Refund Policy due to Covid-19 Pandemic

SportsEngine Processing Fee Refund Policy:

SportsEngine will only refund the processing fee if there is an entire season cancellation due to Covid-19. In all other instances you will not get the processing fee back.

WBYF Registration Fee Refund Policy:

A full registration refund will automatically be issued:

If the entire season is cancelled prior to 8/13/2020 due to Covid-19 restrictions.

A partial registration refund will automatically be issued with the following WBYF deductions:

- If the entire season is cancelled 8/13/2020 or later: registration fee less \$10 for jersey nameplate.
- If the entire season is cancelled 8/24/2020 or later: registration fee less \$10 for jersey nameplate, less jersey cost (\$38 for 4th - 6th grade jersey or \$55 for a 7th/8th grade jersey).

In addition to the above deductions:

- If the balance of season is cancelled 9/13/2020 or later: after reducing fixed costs for jersey and nameplate, a 75% refund of remaining registration fees will be issued.
- If the balance of season is cancelled 9/20/2020 or later: after reducing fixed costs for jersey and nameplate, a 50% refund of remaining registration fees will be issued.
- If the balance of season is cancelled 9/27/2020 or later: after reducing fixed costs for jersey and nameplate, a 25% refund of remaining registration fees will be issued.
- If the balance of season is cancelled 10/4/2020 or later: no refund will be issued.

Note: If your registration was for multiple players, the first two bullet points apply to each registered player.

Also, if a player or family member is diagnosed with Covid-19, a prorated refund may be applied for based on the amount of time actually missed. A parent or guardian is required to contact the WBYF Board of Directors and request this refund.
