Below is some information that we hope will add convenience to your trip.

GATE: The gate will open at 4pm (on the North side of the stadium). Please advise your fans that they will only be able to enter and exit the stadium through the North gate.

PARKING: There is Parking in two locations for spectators. Either in the upper Western student lot or the lower Eastern teacher lot (after 4pm). It is a fairly long walk from the parking lots to the stadium. We do have golf cart shuttles available for spectators with mobility issues. Have someone speak with our gate personnel to get a shuttle to the lot. For softball and tennis you may park in the public lot at the Pleasant Hill Community Center at 320 Civic Drive, Pleasant Hill

BUS PARKING/LOADING/UNLOADING: Buses should use the upper Western student lot off Viking Drive for drop off. Drop your team at the steps nearest the baseball backstop. Buses may park near the gate to the steps or request to park on the blacktop near the gym for pickup (a coach will need to contact the AD to get the gate opened).

*Contact Athletic Director Jim Keck upon arrival.

WARM-UP/WATER: Unfortunately, Locker Rooms are not available to be used at this time to dress. Please have your players arrive with uniform on. There is a grass warmup area for your team beyond the baseball scoreboard along with a Southern team entrance gate to our stadium. Our "press box" is located in the middle of our stands. Visiting team will take the side closest to scoreboard. Please make sure you bring your own water bottles as our Sports Med Team will not be providing water due to COVID. Please bus all sideline debris from the field upon departure.
